

May God Bless You on Your Birthday

God knows it is your birthday
For He was there when you were born
He's the one who formed you
In your mother's womb
He knew you before you existed
For you were part of His plan
May He watch over you always
As He takes you by the hand

Each year that He gives you
Is a blessing from above
Every day He awakens you
He does so with love
God knows all your desires
And your dislikes too
He wants you to be joyful
A heart filled with peace to imbue

Because this is your birthday
I send you God's love so sweet
Ask Him to shower you with gifts
Provide you with many treats
This is your time for celebration
When your blessings are the greatest
May this birthday's blessings
Be God's very richest!
