

God's Greetings

"greetings that touch the heart & soul"

"Your poetry is so beautiful, it speaks to my soul. You must put a book together." *Max Stringer (Texas, USA)*

"Maureen, these poems are so beautifully written and well presented...warm congratulations on the magnificent work you have done thus far! I haven't read them all yet. However, I am now going to forward them on to my brother-in-law, an Anglican Minister, who knows so many ministers and other suitable people who will fully appreciate your work. God bless you as you continue on, glorifying our Heavenly Father, His Son Jesus, and the Holy Spirit." *M. Lyon (Qld, Australia)*

"As I read your book, I said to myself, "I could have used that poem in a sermon I had written", and then it happened again and again. Love your poetry!" *Pstr J. Webb, (Qld ,Australia)*
