

# *A Carpenter With Healing In His Hands*

*"Jesus went throughout Galilee, teaching in their synagogues, preaching the good news of the kingdom, and **healing** every disease and sickness among the people." Matt 4:23 NIV*

*Once there was a carpenter  
with healing in His hands.  
These miracles of healing  
no-one could understand.  
Because of His simple beginnings,  
He was able to demonstrate—  
God's power through His hands;  
human but of divine state.*

*This carpenter healed the blind  
and lepers as well.  
Even raised from the dead—  
Lazarus the world to tell.  
He told the people,  
He was the Son of God;  
not to head an earthly kingdom,  
but some folk thought this odd.*

*A carpenter with such power—  
how could He be a threat?  
To the nation of Israel,  
His death caused no regret.  
For this lowly carpenter  
came with healing in His hands,  
to save a world from sin,  
but they didn't understand.  
This carpenter's life and death  
was such a unique example.  
The Holy Bible tells His story  
of God's great love a sample.*
